School Notifications of Driving Violation or Driver's License Status:

Within 48 hours of a receiving any traffic violation, except parking, a driver must notify his/her instructor, regardless of the nature of the violation or the type of vehicle which was driven at the time.

If a driver's license is suspended, revoked, canceled, or if he/she is disqualified from driving, his/her instructor must be notified. The notification must be made by the end of the next business day following receipt of the notice of the suspension, revocation, cancellation, lost privilege or disqualification.
