General Language Requirements for Commercial Vehicle Driving

This evaluation form is not a pass or fail test, it is a communication form so that you will have a clear understanding what is required to possess or obtain a CDL license. The class is held in English only, because we as a CDL Program must follow the Federal Mandated Requirement set by the Department of Transportation. This form has been designed to let you and the instructor know your communication level. **THIS FORM DOES NOT KEEP YOU FROM REGISTERING AND IT IS NOT A PASS OR FAIL TEST.** Miami Lakes wants you to know up front what to expect when you enter the CDL Program from the first day on. You and the instructor must be able to communicate to a certain level in order for you to learn and for your safety. There are two parts to the communication form, 12.0a is a verbal communication form and 12.0b is a comprehension form. These two forms will let you know if you understand the instructor when instructions are given to you. Communicating with a DOT Officer in the English language is a Federal Regulation Requirement (391.11(b)(2)). Below you will find the actual Federal Requirement from the Department of Transportation or go to: <https://www.fmcsa.dot.gov/regulations> on the internet.
