A “Pre-Employment” drug test is required for entry into the program. The drug test must meet the following requirements.

1. Must be conducted at Cano Health Care Centers of Miami; located at 7911 NW 72nd Ave. Medley, Fl
2. Drug test must be performed within 3 days before the start of the program.
3. You must tell the clinic the test is for the CDL program at Miami Lakes Educational Center.
The test must be a “Federal” “FMCSA” drug test.
4. Drug test “receipt” must be submitted to the instructor on the first or second day of class.

The “receipt” is the form given by the clinic upon submission of the test sample; it is not the results. Failure to conduct the test as described above, the return of a “Failed” drug test, or failure to provide proof of completion of the drug test before the end of the second day of class; will result in the expulsions of the student from the program.
