WHY M-DCPS ADULT EDUCATION?

The Adult Education program at Miami-Dade County Public Schools is designed to prepare you as you enter the local workforce to pick a career of your choice. You can obtain the skills you need to have a successful career in your preferred field. Our preparation programs are available at multiple locations in Miami-Dade County, including seven (7) technical colleges, and 14 Adult Education Centers.

We can help you learn English as a second language or work to attain fluency which will be needed to get into the workforce. In addition, we develop programs that will get you adequately equipped for the GED® or a High School Diploma. Several of our centers offer the GED® and high school completion testing, as well as to various industry exams.

Whether you decide to improve your basic skills or learn a trade, the Adult Education program will provide you with the solid background, tools, and technical skills necessary to begin your new career. While our tuition rates are the lowest priced in Miami-Dade County, we have been providing quality training for over 75 years.
