⬈Commercial Driver's License

⬈ Program Content

⬈ Commercial Driver's License

⬈ Program Outlook

The objective of the Commercial Vehicle Driving (Class A) program is to provide quality educational training designed to meet the current and future needs of the truck driving industry by preparing the students for a Class "A" Commercial Driver License. To accomplish this, the following guidelines are established: assist students to choose, prepare for, enter, and be gainfully employed in the trucking field; offer a program which emphasizes sound fundamentals while responding to the needs of this particular industry; provide courses to meet current and specific needs of the student and this industry.

⬈ Length of Program

The average length of this program is 320 hours (approximately 13 weeks) for Class A Commercial Vehicle Driving full-time students.

⬈ Entrance Requirements

Students must be 21 years old and not attending high school, application, and interview by a guidance counselor. Must have a valid Florida Driver's License and good driving record. Must pass DOT Drug Test. Fees for supplies and textbooks are required.
