The District also provides equal access to its facilities, as required by the Boy Scouts of America Equal Access Act.

➤ Program Outlook

The Dental Assisting Program provides students with the technical knowledge and skills for employment as Dental Assistants. Instruction is designed to prepare students to successfully pass the Dental Assisting National Board Examination. Instruction includes a combination of classroom theory and practical experiences through practice on patients in dental clinics. Students are eligible to join HOSA.

➤ Length of Program

The average length of this program is 1230 (approximately 28 months) for adult students attending part time. Actual time is dependent upon enrollment status and the length of time the student requires to achieve competencies. This program contains occupational completion points designed to prepare students for a position.

➤ Entrance Requirements

Students must be at least 16 years old and not attending high school, application, and interview by a guidance counselor. Fees for supplies and textbooks are required.
