## ➤ Program Outlook

The Practical Nursing curriculum of study provides the practitioner with the necessary theory and clinical practice to share in the care of individuals along the many steps of the health/illness continuum. Clinical experience is provided at local hospitals and selected health-care facilities. The curriculum is designed to prepare the students to take the NCLEX-PN (National Council Licensure Exam)

Graduates of this program must pass the NCLEX-PN prior to seeking employment as a Licensed Practical Nurse (LPN). Students are eligible to join the Health Occupations Students of America (HOSA) organization.

## ➤ Length of Program

This program is 1,350 hours in length and includes 675 hours of clinical experience. Approximately 15 months are needed to complete the program if attending full time. This program contains an occupational completion point designed to prepare students for an entry level job within this occupational area.

## ➤ Entrance Requirements

Students must be at least 16 years old and not attending high school, application, and interview by a guidance counselor. Fees for supplies and textbooks are required.
